**Presidents Welcome:** This spring, the Thornhill Baseball Club will be entering it's 26 season of providing baseball to the youth players of our community. Over the past few years we have grown in numbers but more importantly we have improved our quality of services. Our **Diamond Division** was designed for children ages 8-12 with developmental disabilities who would like to enjoy baseball in an athletic environment structured to their abilities. Throughout the province, The Thornhill Baseball Club wa regarded as being a leader in baseball. I take great pride in the work that was done to assist all our kids. The 2008 season has already been planned.. TBC will provide a Blue Jay Clinic for our young players, coaches training and information at the Best Ever Clinic, Thornhill hosted rep tournaments, Opening Day and Championship Day Events and hundreds of baseball games to be played at our parks. The Directors of TBC continue to work hard for the common goal so our kids can enjoy this great game that they love.

Proudly President
