

Thornhill Mosquito Select Team

The Thornhill Mosquito Select Team is having weekly workouts/tryouts. Anyone interested in participating can e-mail dan@rutmanlaw.com for dates, times and places.

Q1 What should I bring?

A1 Baseball glove, protective equipment, bat (if you have one) and water.

Q2 Who should try out?

A2 This is open to anyone who was born in 1999 or 2000.

Q3 What if my child is going to overnight summer camp?

A3 We are attempting to arrange the schedule around the month of July. We will be looking at kids that wish to go to sleep over camp for the month of July. Unfortunately we cannot accept kids who are going to camp in August.

Q4 What kind of players are we looking for?

A4 We are looking for players who are motivated, enjoy team sports, committed to play, a desire to learn and appreciate the game, with a good foundation of raw skills.

Q5 What is the commitment?

A5 In addition to playing in house league, the team will play 12-15 select games throughout York and Simcoe Region with almost all games occurring on the weekend. We also expect to play in 2-3 weekend tournaments.

Q6 What if we have a family cottage?

A5 For families who spend weekends at the cottage or take family vacations in August, Select Baseball would not be a good fit due to the commitment required.
